

Shape Wars

(Visual Arts EALR 1.1.1, 1.1.2, 2.1, 3.1, 3.2)

Repeat, combine, superimpose, symbolize and hybridize shapes to compose a dynamic energy field.

- Using colored paper cut out repetitive units of two different simple shapes and colors in various sizes.
- Deploy the units from different sides of a contrasting background paper.
- Where the “shape armies” collide, create hybrid shapes.
- The “offspring” shapes should be unique, but exhibit characteristics of both “parent” shapes.
