

# PATTERN MASK

## Materials:

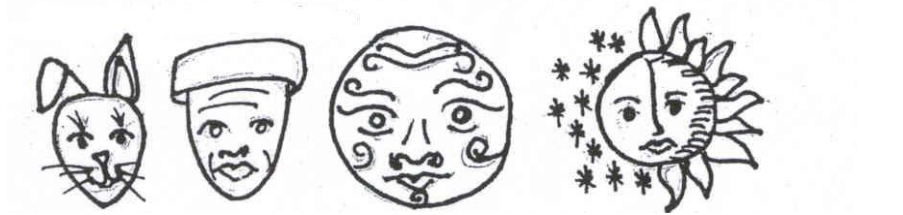

Sketchbook  
Pencil  
Felt tip pen (fine or medium)  
12"x18" white drawing paper

## STEPS:

1. In sketchbook, make 20 squares. Fill in each square with a different pattern, i.e. checkerboard, dots, stripes, wood grain, cow print, etc.

2. Draw 5 mask designs.

3. Check off patterns and mask with instructor. Choose best design.
4. Draw mask design, in pencil, on 12"x18" white drawing paper. The mask should take up most of the paper.
5. Place at least 15 patterns in the mask, with felt tip pen. Patterns can curve to the contour of the mask, showing volume.

## Grading Rubric

- Patterns must be different from each other
- Mask designs must be original
- Patterns must be applied in thoughtful manner
- Inking must be neat and balanced
