Home of Panther Pride

Poulsbo Middle School, located in scenic Poulsbo, Washington, is one of two middle schools in the North Kitsap School District. Serving our community of sixth through eighth graders, our staff endeavors to provide an academically rigorous and culturally inclusive atmosphere “where everybody belongs”.

Striving to foster a caring and supportive learning environment, Poulsbo Middle School provides several opportunities for students to shine, in regular education courses as well as electives, our music program, and extra-curricular activities including clubs and sports.

Spotlight on Curriculum

Programs at Poulsbo Middle School include the main academic subjects, such as English and mathematics, social studies, health and physical education. Among the electives are high interest and hands-on learning experiences including Family Consumer Science, Pre-Engineering, yearbook, band, choir, and art. These elective courses present a well-rounded schedule that includes the varied interests of each unique student.

“Where Everybody Belongs”

WEB, which stands for “Where Everybody Belongs” is a middle school orientation and transition program that welcomes 6th/7th graders and makes them feel comfortable throughout the first year of their middle school experience. Built on the belief that students can help students succeed, the program trains mentors from 8th grade to be WEB leaders. As positive role models, WEB Leaders are mentors and student leaders who guide the 6th/7th graders to discover what it takes to be successful during the transition to middle school and help facilitate 6th/7th grade success.

Before and After School at PMS

From Leo Club, our school’s valuable service organization, to Chess Club, there is something for everyone at Poulsbo Middle School. Want to foster your personal fitness? Come to the early morning winter trainings and stay fit throughout the winter. Got talent? Join the team for our spring talent show or be a member of our Spring Production. Students can learn to knit at weekly “Knit and Stitch”, or show their Panther spirit by joining our Pep Squad or Cheer. They can create masterpieces in Art Club, or foster a love of science in “Fun with Science”. From Honor Society to Jazz Band, there’s sure to be a place for everybody in our extra-curricular offerings.

ASB and Leadership

The Associate Student Body officers create and support activities that are cultural, athletic, recreational and social in nature. Every Advisory selects a representative who communicates information and help make decisions about school activities. They plan and implement Spirit Days, Pep Assemblies, and other activities that foster a sense of belonging in our school. They are a valuable asset to our school.
