North Kitsap High School Leo Club Earns Leo Club Excellence Award

The NKHS Leo Club was awarded the highest honor possible on October 5th when it received its sixth Leo Club Excellence Award from the Lions Club International. Just fourteen clubs in the United States and 38 clubs in the world are honored with this award. The Leo Club Excellence Award is awarded to clubs that demonstrate superior performance in serving others, developing and executing creative fundraisers and exercising effective leadership.

The Leo Club of North Kitsap High School is involved with several community service projects including collecting food and clothing for the district-wide “Fill the Bus” campaign each fall. The also put together hygiene kits for those in need and volunteer at the Lions Pancake Breakfast. The signature community service project of the NKHS Leo Club are the annual blood drives that they coordinate.

Congratulations to the NKHS Leo Club and thank you to the club’s liaison Karl Ostheller for his tireless service and dedication to not only to our Leo Clubs but to all of the students in North Kitsap.
