

Staff and Student Recognition North Kitsap Board Meeting

Recognition
North Kitsap School Board Meeting

April 12, 2018

The North Kitsap School District Board of Directors recognizes the outstanding achievements of our students and staff during this portion of the meeting.

April 15-21 is National Volunteer Week

During National Volunteer Week, the North Kitsap School District would like to recognize over 1,700 volunteers registered in our school district. Volunteers include our PTSA and Booster groups, students who volunteer both in our schools and in our community, and the individuals and groups who volunteer each and every day in our schools in classrooms. Volunteers help with everything from day-to-day administrative tasks, to reading and math intervention, classroom support, supervision, after-school programs, school grounds upkeep and beautification.

Volunteers are an extremely important part of our schools and provide important connections to our local community. When students see adult volunteers in their schools, they see firsthand how much their community values education and supports their school. We invite our community to sign up and volunteer in our schools.

Thank you to all of the individuals, groups, organizations and local businesses who take time to volunteer in our schools.
