Nutrition Services:

Nutrition Services employees will receive \$.25 differential for catering work performed outside the regular shift. Nutrition Services employees will receive an annual stipend of \$550.00 for holding a valid SNA/WSNA certification. Certification holders will be required to attend one WSNA Chapter meeting annually (if available), or professional development opportunity (conference or workshop) and meet all SNA guidelines for maintaining certification. Annual conference attendance is contingent upon the availability of enough professional development funds to cover at least half of the cost of attendance.
